EXPERIENCE

PT. Raken Prima Perkasa

Junior Mobile Developer

Padang

Nov 2021 - Sep 2022

- Develop and maintain internal company applications using Flutter, ensuring seamless functionality and high performance.
- Collaborate with the development team to design new features that improve operational efficiency.
- Conduct testing and debugging to ensure applications are bug-free and run optimally across various devices.

PT. Garuda Cyber Indonesia

Intern : Android Developer

Pekanbaru

Feb 2020 - Mei 2020

- Developed a mobile application for my final project titled "Photocopy in Padang".
 - The app helps users find the nearest photocopy centers in Padang.
 - Key features include search functionality, interactive maps, user reviews, and notifications.
- Wrote and published an article about the application on the company website.
 - The article explains the features and benefits of the app to a broader audience.

PT Prima Gravika

Design Grafis

Padang

Nov 2022 - Mei 2024

- Designing for clients and adjusting client requests to align with desired designs.
- Managing multiple projects simultaneously and effectively meeting deadlines.
- Designing and producing marketing materials such as brochures, pamphlets, posters, banners, and digital advertisements.
- Creating visually appealing graphics and illustrations for both print and digital platforms.
